Is It Time to Switch to Bellwether?

We Can Help in Three Easy Steps!

So you've opened or are planning on opening a new Bellwether Checking account, and want to switch your other accounts over. Just follow the simple instructions below, and soon you'll be taking full advantage of membership at BCCU! You'll need your new Bellwether account number to complete the switch kit forms, so have that handy. Then, make sure to start using your Bellwether Checking Account and stop using accounts you plan to switch. But, keep the old account open until all checks have cleared and your direct deposit and automatic payments have been switched to your Bellwether account. It's easier than you think!

Instructions:

Step 1: Direct Deposit

Sign up to have paychecks, Social Security and other types of recurring checks directly deposited into your BCCU account. With government checks you can also make the switch over the phone, but will need to have BCCU's routing/transit number, account number, address, and your personal information handy.

- Social Security 1-800-772-1213
- Veteran's Benefits 1-800-827-1000

Step 2: Automatic Payments

If your utility bills, gym memberships, EZ Pass or any loan payments are automatically withdrawn from other accounts, or paid through a debit card, change those to your new BCCU account.

Step 3: Close Your Old Accounts

Once all checks have cleared your old account, and all automatic payments have been switched to Bellwether, close out those accounts and have any remaining balance transferred to your new Bellwether Checking account.

Helpful Tips: Order a debit card for your account, and sign up for BCCU's WEB24, CALL24, FREE online bill pay, and FREE eStatements. You'll get access to your account 24/7, won't need to worry about paper statements, and can join our continuing effort to "go green!"

Direct Deposit

Ask your employer if they have a Direct Deposit form to either change a current order or begin taking advantage of Direct Deposit with Bellwether. If they don't have a form, use this form to notify employers or others who send regular payments that they should send proceeds to your new Bellwether account as outlined.
